

Serafin is a Vienna and Athens based cinematographer with Austrian and Greek family roots.

He graduated MA with Distinction at the Vienna Film Academy.

His (camera-)graduate shortfilm **Maybes | Erdbeerland** premiered at Viennale 2012 and received the Austrian Film prize in the short film section. His first camerawork on a feature-length documentary **Lampedusa in Winter** premiered at Semaine de la Critique in Locarno 2015 and received a.o. the Austrian Film Prize. His camerawork for **Gwendolyn** was awarded Best Cinematography of a Documentary at Diagonale Festival of Austrian Films 2018.

Nobadi, directed by Karl Marcovics, was his first camerawork on a feature-length narrative. In 2019 he collaborated as DP for Ulrich Seidl, shooting the second part of his upcoming diptych with the working title **Böse Spiele | Wicked Games**. His first camerawork on a greek Film **to Vancouver | το Βανκούβερ** was awarded Best Film by the Pan-Hellenic Association of Film Critics and received Special Mention at 72. Berlinale.
